Welcome!

Welcome to BYU-Idaho! Religious Education is an integral part of a BYU-Idaho student's college education and provides opportunities for simultaneous growth in gospel knowledge and understanding during their secular studies.

Participating in religion courses can help students build habits of gospel study that continue long after their college years and are blessings to both the student and their posterity. Habits of gospel study will help individuals and families build and strengthen a spiritual foundation that will help them keep life-long spiritual perspectives in a world of chaos and endless distractions.

Degree Requirements

The BYU-Idaho catalog states that students are responsible for completing their General Education (Foundations for catalog years before 2019) requirements according to their degree catalog.
